

# Introducing TALONPay™

## Complete The Transparency Savings Circle

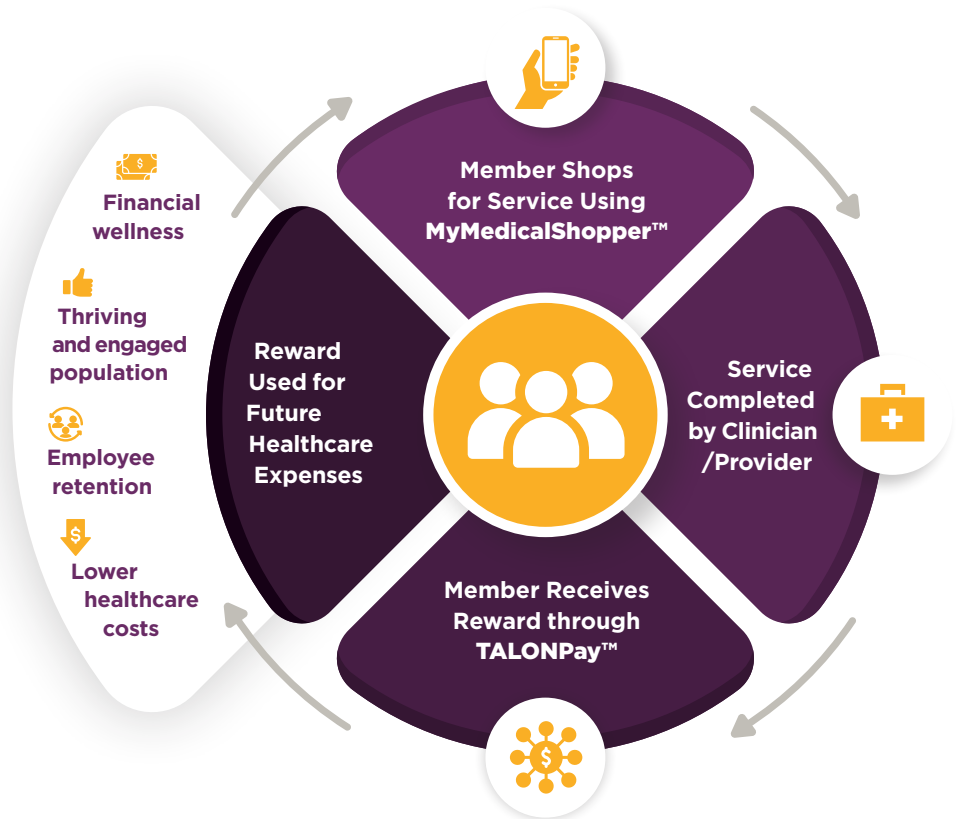

When TALON introduced the shared-savings **MyMedicalRewards™** program in 2018, it was an industry game-changer for driving consumer engagement through incentives.

Today, **TALONPay™** closes the circle by enhancing those rewards by integrating zero-cost HSAs, HRAs and cash debit accounts through the multi-purse **TALONPay™** MasterCard.

### How It Works:

Use **TALONPay™** to distribute rewards from our **MyMedicalRewards™** program so members can access tax-free funds to use towards everyday medical expenses. **Deliver the full savings experience that's as simple as downloading an app.**

- ✓ Members shop for services using **MyMedicalShopper™**.
- ✓ They earn rewards through engaging in things like fitness challenges, open enrollment, and choosing high-value providers.
- ✓ Reward dollars are deposited to a **TALONPay™** HSA, HRA, and/or cash debit MasterCard account and are available for immediate consumption.
- ✓ Rewards can be used to reduce or eliminate member out-of-pocket costs and increase access to high-quality care.

Pricing transparency provides the avenue for members to make informed decisions about their healthcare. Now TALON provides an all-encompassing solutions platform that combines **price shopping, member incentives**, and a **free HRA (and HSA for HDHP participants)** to complete the cost savings ecosystem.

Providing members with everything they need for their healthcare journey is simplified with TALON, and now amplified with **TALONPay™**.
